Current Corona Situation – Production restart of BOS plants in Europe and Mexico

18.May 2020

Dear Business Partner,

this letter is to notify you about the latest BOS situation as follow:

All BOS location in Europe resumed production and the restart of our operations at all our plants is progressing well. Thank you very much for your cooperation in confirming your readiness to support the restart of our operations in Europe.

The both **plants in Mexico** (Irapuato and Guanajuato) **restarted the production** in limited capacity today **on Monday May 18**. We kindly ask you to take immediate action to ensure that you can restart production including, all regulations and procedures issued by federal or local authorities. Please start all required processes and measures as quickly as possible to ensure the restart or expansion of your production. We kindly ask you to check these updated delivery schedule continuously and adapt to the new situation flexible and with all necessary activities to ensure whole supply chain inclusively your sub-suppliers, in particular with regard to keep your deliver reliability . Please note that the current delivery schedule is valid and you have to ensure it. For the detailed coordination, please get in contact with your responsible contact persons in the Logistic Departments of our plants.

In case of unexpected situation, your production sides remain closed or must be again partially or complete closed, please inform immediately the responsible contact persons in the Logistic Departments in our plants and additionally your contacts in purchasing department at BOS Headquarter

Best regards

Steffen Weckerle
